You will receive an email or a phone call from your coach. (*Volunteer coaches* are still being assigned to this important role)

If you have NOT received a phone call, text or email; please verify the contact information you provided when you registered

\*\* Please arrive a few minutes before scheduled time, and volunteers will direct you to the correct field.

When will I receive my uniform?

If you're unsure of the location of the field where your child is playing, please contact your coach.

Review the Field Layout posted on the website; [www.mynca716.net](http://www.mynca716.net)

Where should I park?

Please use the designated parking lots on Ring Road between the stadium and the track. The nearest access is off of Brigham Road by way of Lake Way Drive. Review the campus map if needed, <https://www.fredonia.edu/about/campus-maps>

What is the weather policy? Is my game cancelled?

Please review our weather policy on the website at <http://mynca716.net/forms-policies>. Games are held rain or shine based upon the criteria outlined in the weather policy unless a potential safety risk is identified. Parents/guardians should use their personal judgement to determine their own child's ability to play in extreme weather conditions. Please do not assume that a 7:15pm is cancelled because the 6pm game was cancelled. Our social media networks will provide up-to-the-minute information. An email will be distributed to the email address you provided when you registered your child.

**A SPECIAL THANK YOU:** NCSA would like to send a special thank you to SUNY Fredonia for allowing us to use their fields for our soccer program. Without the use of this space, it is likely that we would have to use a number of other locations, to accommodate all of the fields needed. We also want to thank the grounds crew for their hard work and assistance.
